Sir,

pp 1-4 ante

[illegible]

In retransmitting herewith the papers received with Government endorsement No. 18080-E-1. F.P.H., dated 16-5-1941, page 1 ante I have the honour to state that since the Government discontinued the proportionate grant for anti-malarial operations in Hospet municipality, the Council is unwilling to do anything to control malaria, however small the expenditure on a scheme of malaria control measures for the town will be. This will be seen from the fact that the municipality has provided Rs. ~~100/-~~ 1,000/- to control the breeding of nuisance mosquitoes within the town, but does not provide any money for the carrying out of anti-malarial measures. Though the anti-mosquito scheme which will be carried out within the inhabited parts of the town may incidentally abolish to a little extent the malaria-carrying mosquitoes as well, there will not be any appreciable decrease in the breeding of mosquitoes in the outskirts of the town, as in that area sugarcane and paddy cultivation will be going on and the irrigation canals and the fields themselves will form convenient breeding grounds for the malaria carrying mosquitoes. Anti-mosquito scheme will, therefore, mean nothing against malaria control in Hospet as the people in the town though freed from nuisance mosquitoes will be subject to the bites of malaria

carrying

carrying mosquitoes and thus will be liable to suffer from malaria. Moreover, a malarious town in the neighbourhood of the Tungabadra Scheme headworks is likely to affect the health of the camps. It is essential that Hospet town should be rendered safe by adopting anti-malarial measures.

In view of the foregoing, I request that Government may be pleased to urge on Hospet Municipal Council the need for carrying out a scheme of anti-malarial measures in preference to the anti-mosquito scheme, sanction for which is now sought.

I have the honour to be,
Sir,
Your most obedient servant,

Lt.-Col.I.M.S.,
Director of Public Health, Madras.

Sir,

Ref:- Government Memorandum No.18080-E1-2 P.H. dated 23-6-41.

I beg to submit the resolution No.225 dated 24-7-41 of the Municipal Council in the matter of adoption of Antimalarial operations while suspending the Antimosquito scheme referred to above. The Council is of the same opinion as of the Chairman that the cost of Antimalarial operation if carried will be too heavy on the slender resources of the Municipality in the present conditions and that if the Government could come to its rescue by restoring the grant of 1/3 the cost of operations the council could without much strain carry the work . It is also of the opinion that the antimosquito operation with its beneficial results which the rate payers are accustomed may not be given up for the reason that provision under the above circumstances could not be made for the antimalarial operations.

Separately under consideration C.No. 26877 E./41

DEPUTY SECRETARY TO GOVERNMENT, EDUCATION AND PUBLIC HEALTH DEPARTMENT
5 - SEP 1941

p10 ante

Sir,

Sub: Hospet Municipality - antimalarial measures - employment of two coolies - remarks offerred.

pp 9-11 ante

In retransmitting herewith the papers received with the Government Endorsement No.18080 E.1/41-3 P.H. dated 9.8.41, I have the honour to state that the Government are already giving the maintenance charge of the irrigation channels in Hospet Municipality to an extent of Rs.400/- per annum.

I am of opinion that the expenditure on antimalarial measures other than the maintenance of the irrigation channels should be a charge on the municipal funds only. The grant of Rs.500/- which the Municipal Council expects from Government being a comparatively small sum, it should be possible for the Council to provide for the same.

The Council may therefore be directed to carry out the antimalarial measures as hitherto till an improved scheme comes into effect later on with the joint action of the Municipality, the Public Works Department, Railway and the District Board. But if the Council is not able to balance its budget by spending this Rs.500/-, it may be directed to utilise half of the allotment of Rs.1,500/- for the Ayurvedic Dispensary.

I have the honour to be,
Sir,
Your most obedient servant,

Dip.Hyg.(Camb).
Director of Public Health, Madras.

In submitting herewith the resolution of the Council Council resolution No.336 dated 15-9-41 I beg to state that the Municipal Council after reviewing the position on further representations has agreed to carry the antimalarial operations entirely from its funds during the current year, in view of the remarks of the - Director of Public Health Madras in letter R.No. 20117-2-Mal dated 9-6-41 communicated in Government Memorandum No.18080-El-2 P.H. 23-6-41. It had also agreed to provide a sum of Rs.1000/- in the budget for 42-43 for antimalarial operations in accordance with the orders of the Government in Memorandum No.26877-El-41-3 P.H. dated 18-8-41 intimating the intention of the Government to - ~~review~~ revive to the Municipality the Government grant of Rs.500/- for these works.

p 5 ante
p 7 ante
p 19 infra
of below

As the council has on reconsideration agreed to carry the antimalarial operations also during this year, the objection of the Director of Public Health Madras in the matter of carrying antimosquito work without antimalarial operations no longer remains. I request therefore that the Government will be pleased to sanction at an early date under section 8 Public Health Act the entertainment of the two oiling coolies each at Rs.10/- per mensem from 1-4-41 to 31-3-42, for which - Government have been addressed in this office letters C. No.2000-41-D1 dated 7-5-41 and 25-7-41.

Malaria - Hospet mplty - Anti-mosquito campaign - Employment of two coolies

---

In its resolution no 875 d/ 31.3.41 the Hospet mpl cl sanctioned the (employment) ~~appointment~~ of two coolies at 10 pm for one year from 1.4.41 for anti mosquito campaign in the mplty. But as the DPH having expressed an opinion that the anti-mosquito campaign was not so necessary as anti malarial measures the Hospet mpl cl was asked to consider the desirability of dispensing with the services of the two coolies ~~for~~ by suspending the anti-mosquito campaign and to adopt a scheme of antimalarial measures. Memo no 18080 E/41-PH / 23.5.41 pp 7-8 cf. The mpl cl has however resolved that the antimalarial scheme may be taken up if the Govt sanction the usual grant and that in the meantime the anti mosquito scheme may be continued vide res. in on page 11 cf.

The D.P.H. does not support the proposal of the C.I. He considers that the mcl should be directed to carry out the antimalarial measures till an improved scheme comes into effect later on with the joint action of the mlty, the P.W.D. Deptt, Railway and the D.H.Bd. pp 13-14 c.f. pp 13-14 c.f.

3. Attention is, in this connection, invited to the linked file in which it is proposed to give the usual grant of Rs 500 to the Hospet mcl during 1942-43 if the Govt. Council will bear its share of Rs 1000/- ~~and~~ the mcl can then take up the antimalarial measures. It is therefore for orders whether the mcl will be permitted to have its antimosquito scheme (an antimalarial measure) during this year and to employ the two coolies.
